

Heroes of the Nations

A SERIES of biographical studies of the lives and work of a number of representative historical characters about whom have gathered the great traditions of the Nations to which they belonged, and who have been accepted, in many instances, as types of the several National ideals. With the life of each typical character is presented a picture of the National conditions surrounding him during his career.

The narratives are the work of writers who are recognized authorities on their several subjects, and while thoroughly trustworthy as history, present picturesque and dramatic "stories" of the Men and of the events connected with them.

To the Life of each "Hero" is given one duo-decimo volume, handsomely printed in large type, provided with maps and adequately illustrated according to the special requirements of the several subjects.
